1001 Avenida de las Americas 77010

The George R. Brown features a 1600-parking space parking garage located at the corner of Polk Street and Avenida de las Americas. Conveniently connected to the GRBCC and the Hilton by Level 2 skywalks, parking couldn't be easier.

In early September, 2006, crews started work on a 12-acre downtown park located directly across from the convention center. As a result, two of the parking lots once found in the front of the building are no more. Expected to be completed in early 2008, the multi-purpose park will include a 650-car underground parking garage.

In addition, there are several privately owned surface lots surrounding the convention center. All are just a short walk away or across the street. Please refer to the PARKING MAP for lot locations, and check the Event Calendar for additional parking and shuttle bus information by event.

- NORTH** Parking is available in lots one block from the GRBCC on Rusk Street.
- SOUTH** Convenient parking is available in the 1600-space Hilton Americas-Houston parking garage, as well as lots near the Holiday Inn Express on Chenevert Street.
- EAST** Chinatown is located just east of the GRBCC and Highway 59. There are several parking lots open to the public, in addition to street parking.
- WEST** Several lots are located between the GRBCC and the Four Seasons Hotel/Houston Center. Houston Center has multiple parking garages available for convention center parking.

Cost should be around \$7.00, but could be more.
